(c) if the answer to part (a) above be in the negative, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI DIGVIJAY SINGH): (a) Yes, Sir.

(b) In 1999-2000, various post-budgetary developments such as levy of cess and hike in prices of HSD oil, retrospective revision of tariff by some of the State Electricity Boards, higher rates of incentive bonus to workshop staff revision of family planning allowance, damage caused by Orissa Cyclone etc. had put an additional burden of around Rs. 900 Cr. on the Ordinary Working Expenses of the Railways. While the Ordinary Working Expenses of the Railways are not likely to reduce from the budgeted level, the Railways have been able to absorb the additional liability within the existing provision for Ordinary Working Expenses by implementation of an Action Plan aimed at reducing expenditure through economy and austerity measures in different areas.

(e) Does not arise.
